Michael Larson was a great sales person... He knew exactly what I was looking for when I explained it. He showed me a used one for \$200 that was perfect for me and I love it.

Argo Community High School recently ordered several pieces of furniture and were very pleased with the quality of the furniture we ordered and service throughout the ordering process. The staff that helped us with the ordering process was amazing.

Got my small office super right. Very transparent. Very upfront. Honest pricing. Quick service. Will return again and would refer to colleagues, friends, and family.
