Dear Amanda,

Regarding your correspondence and our phone conversation about the dormant account of TM and Elizabeth Jacobson #421952:

I have attached to this email the following documents:

- Court Certificate showing the assets moved into the Jacobson Revocable Trust and myself as the successor trustee of that trust
- My driver's license
- Death certificates for Ted and Elizabeth

Please close the account. Please send the balance as a check made payable to "Jacobson Revocable Trust 12271993".

Also, please inform me of and/or remit to me any other assets at Edison National that belonged to Ted or Elizabeth.

Thanks for your help and attention.

Steven A. Jacobson, Trustee
