

ENDOWMENT FUND REQUEST

"The purpose of the Endowment Fund is to enhance the work of the church by establishing new ministries and stewardship opportunities additional to and apart from the general operation of the congregation, including without limitations: benevolent projects, in addition to those designated in the church budget, physical plant modifications, special equipment or building funds, as determined by the Fund's Board of Directors. It will also pay incidental expenses in the fund with no proceeds used toward the regular budget of the Lutheran Church of the Resurrection."
