## PART II: OUR VISION FOR MISSION

### Trends in the Community Context of the Congregation or Organization

#### Characteristics:

Write a description of your community in terms of socio-economic status, demographics, primary areas of employment and lifestyle. The Demographic ZIP Code report for your primary ZIP codes may be helpful.

LCR is located on the northwestern edge of Racine, near the more-suburban villages of Mount Pleasant and Caledonia. Population of the three combined is 109,351, with urban Racine housing the largest slice at 77,127. Major employers include Ascension All Saints Medical, S.C. Johnson Inc., CNH Industrial America LLC (farming and construction equipment), Racine Unified School District, Emerson Electric (InSinkErator), and Modine (commercial heating and cooling). A 2021 study reported employment positions as 54 percent professional/salaried with 46 percent industrial/service.

Racine has a storied history as part of the underground railroad for escaping slaves in the 1800s and as an industrial powerhouse in the late 19th and 20th centuries. The Johnson family's association with architect Frank Lloyd Wright resulted in a significant collection of his works throughout the city. Being lakeside has yielded a large boat and yacht harbor, a nationally known beach (North Beach), a public zoo, and a historic and vibrant downtown. Lake Michigan also provides opportunities for outdoor recreation and leisure. Our location between Chicago and Milwaukee opens the door to professional sports, major music, arts, and cultural events, within an hour or less drive or by rail, either Amtrak or Chicago Metra. Our nearby neighbor, Kenosha, at 100,000 population, also offers a host of activities.

Our population is dominated by two demographic groups: Families/Empty Nesters (ages 35 to 54) and Retired (ages 65 and older).

#### Trends:

List three changes or trends within the congregation or organization which have occurred in the last three to five years.

1) Changes in pastoral staff in past five years.

- 2) Decline in worship attendees, programs, and financial giving. The pandemic played a role, along with members seeking to worship elsewhere.
- 3) A desire to become a vibrant, growing and inclusive community in Christ. We have a culture of giving and volunteering. The vibrancy has been more evident lately as worship attendance has been rebounding since September 2022. This is also borne out in the participation and excitement surrounding recent Visioning activities with Pastor Holm from Leighton Ford Ministries.

#### **Context:**

List three ways the community in which you are located has been challenged by change and transition in the last three to five years.

- 1) Restrictions and impacts of Covid have challenged the community and the small businesses located here (primarily 2020-2021)
- 2) Public Education: Racine Unified School District provides K through 12 public education to Racine and surrounding communities. The 29 schools within RUSD currently serve 16,254 students. The racial makeup of the student body is 63 percent people of color, majority of whom are Latin, with 37 percent white. RUSD ranked within the bottom 50 percent of 439 school districts in Wisconsin, based on results of math/reading proficiency testing for the 2020-'21 school year. Other education opportunities exist in the Racine area through independent schools, including charter, religion-based, Montessori, and alternative schools. The Prairie School draws students regionally as a college-prep program serving preschool through Grade 12.
- 3) Partially because of Racine's location between Milwaukee and Chicago, occurrences of crime, violence, drugs, human trafficking, and gang activity are higher than that of comparable-sized cities, Racine's crime rate is 26 percent, meaning that Racine is safer than 26 percent of other cities in the US.

#### **Programs:**

Describe your congregation's or organization's current programs for mission and ministry.

We have two Sunday worship services; the first a traditional setting with hymns at 8 a.m., the second featuring contemporary Christian music. June through August we hold an outdoor Sunday worship service at 10 a.m. For special events, the two Sunday services are combined, held at 9:30 a.m.

During the school year we offer Sunday School, Confirmation, First Communion, and youth nights, as well as ELCA Neighborhood Camp in summer. Adult education and gatherings include Adult Bible Study, Women's Brown Bag Bible Group, Senior Bible Study, Prime Timers (Senior Social Group), and Circle groups.

Our Mission and ministry programs include involvement in or with:

- \* HALO (Homeless Assistance Leadership Organization)/overnight shelter
- \* Lutherdale Bible Camp
- \* Hospitality Center (day shelter)
- \* Living Faith Sunday Night Community Meal
- \* Racine County Food Bank
- \* Racine Interfaith Coalition
- \* Racine Veteran Village (Tiny Homes)
- \* ELCA World Hunger Program
- \* Youth Mission Trips
- \* Holiday Benevolence (gifts, food baskets)

#### **Goals:**

What are the primary goals of your ministry site (please refer to any Strategic Plan that has been adopted).

Our strategic priorities developed during our Visioning process are:

- 1) Build our culture and identity around our core values and mission.
- 2) Every space in our facility is regularly and purposefully used to share God's love.
- 3) Create a safe and innovative community for young people to experience God's love.
- 4) Welcome adults into authentic relationships with Jesus and each other.
- 5) Every person is engaged in a community service or mission project every year.

These five priorities will help us achieve our vision of growing a welcoming community of Christ.

#### **Energy:**

What is your congregation or organization really excited about right now?

We have just completed the Visioning program with Pastor John Holm, and are energized as we realize what we can

do when we focus on a smaller set of goals. Our church wants to share the good news of God's love to those who seek a welcoming place to learn and help our church further develop a community of faith.

**Partnership:**

How does this congregation or organization see itself as a member and active participant in the Evangelical Lutheran Church in America and the synod?

- \* We see ELCA as aligned with our beliefs as a congregation as it applies to interpretation of doctrine and finding faith through loving God and all people of the Earth.
- \* We see ourselves as a congregation-focused church, with the synod in its role of support, but not as a manager or overseer in most of our operations. ELCA is our guide and leader in spiritual matters.
- \* We are happy to support the synod financially, because we believe in the use of its funds as part of our goals as an ELCA church.
- \* We are concerned about our church's future as well as that of the synod, in light of decreasing membership. The synod's work at redefining itself, we hope and pray, will help bolster our churches in a time when religious life can often be a matter of debate, division and outright rejection of faith.

## Purpose, Giftedness and Mission

### **Purpose**

How does this congregation or organization understand its reason for being in the light of God's call to mission and service? Who are you? Why are you here?

LCR continues to evolve in its faith journey as Visioning has opened our minds to the reality of our situation. Our mission emphasizes loving Jesus and helping others. As we work to reach out to our community in a more purposeful way, we hope to realize our mission and be seen as a source of hope and support.

### **Giftedness**

What are your gifts and resources for fulfilling this purpose? What are the congregation's or organization's top three assets and how are they being used? Are there obstacles that must be overcome to be able to use these gifts and accomplish the mission?

- 1) Our people. LCR is blessed as a congregation, rooted in tradition, purpose, and helping others. Today, these congregation traits have evolved and broadened to encompass inclusivity, fairness, and supporting others in need.
- 2) Our core values. We seek to build on community service and generosity, to learn to be accepting of all people and to show willingness to change.
- 3) Our location. Our large building and grounds are a blessing, with a sanctuary, fellowship hall and kitchen, meeting rooms, narthex and offices. The adjoining landscape and gardens provide a setting for community gathering and peaceful reflection. Our church home has been in this location for more than 60 years. We acknowledge updates to our building and grounds will be required to meet worship, education, and community needs.

### **Mission**

In light of the way you have described your ministry context in this Ministry Site Profile, what are the top three mission priorities which, if accomplished, hold the most promise for the continued development of this ministry?

Our strategic priorities developed during our Visioning process are:

- 1) Build our culture and identity around our core values and mission.
- 2) Every space in our facility is regularly and purposefully used to share God's love.
- 3) Create a safe and innovative community for young people to experience God's love.
- 4) Welcome adults into authentic relationships with Jesus and each other.
- 5) Every person is engaged in a community service or mission project every year.

These five priorities will help us achieve our vision of growing a welcoming community of Christ.

### **Mutual Expectations**

Please list the five primary areas of activity or focus that you wish your newly-called rostered minister to give special attention to during the first year of his or her ministry at this congregation or organization:

- A. **Worship: Plan and officiate worship services, baptisms, weddings, and funerals working with the Worship Committee, music staff and office administration. Use your pastoral skills and creativity with developing styles of traditional and contemporary services, as well as our summer outdoor service.**  
  
Our "contemporary" service is not truly contemporary other than the style of music. We are interested in exploring new ideas in worship to avoid repetition of the basic Lutheran service program week after week. A number of congregational members seek to learn and be inspired from sermons and to experience their worship in different ways.
- B. **Spiritual Counselor: Actively seek to know our congregation and establish relationships so members are comfortable seeking spiritual advice and help with life's situations. This area of activity also encompasses leading teaching for First Communion and Confirmation. We currently partner with Mount Pleasant Lutheran Church in Confirmation preparation. Adult and youth education expertise also would be desired.**
- C. **Visitation: Be proactive in visits and calls in emergencies of church members and/or their families, as well as regular visits of shut-in people, in coordination with the Visiting Angels of LCR group.**
- D. **Mission: Support our mission, core values, strategies, and ministries.**
  - 1) Build our culture and identity around our core values and mission.
  - 2) Every space in our facility is regularly and purposefully used to share God's love.
  - 3) Create a safe and innovative community for young people to experience God's love.
  - 4) Welcome adults into authentic relationships with Jesus and each other.
  - 5) Every person is engaged in a community service or mission project every year.
- E. **Staff Oversight: Provide ongoing direction for staff, who report to the pastor (please see attached organization chart for exception of the finance secretary role). Compensation, hiring, personnel issues/concerns, etc., are handled with the Executive Council and Staff Support Committee. The pastor is a non-voting member of council. The organization chart further details staff positions and their primary responsibilities. The only full-time position is that of church and financial secretary, which combines two previously part-time roles, finance secretary and office administrator.**

Please list the five ways that this congregation / organization will support and encourage the rostered minister during the first year in order to help her or him accomplish these responsibilities:

- A. **Executive Council and Call Committee will provide direct support to assimilate a new pastor into the congregation. Staff, council, committees, and church members will be eager to work with the new pastor in accordance with the pastor's preferences and approaches. On-boarding sessions will include meetings with the council president, finance chair, and staff. The hope of LCR is to select a pastor with leadership skills who leaves the daily work to staff, intervening only when some redirection is essential.**
- B. **Council/Visioning Team, dedicated to making our mission and vision become reality, will work closely with the pastor to ensure we are walking the same path in our goal-making journey.**

- C. With two of our five core values centered on spiritual accessibility/variety and willingness to change, the congregation will cooperate in the steps needed to create new worship opportunities and programs, including music, church worship changes, and levels of participation for the congregants beyond singing, standing and sitting.
- D. Council, staff and the congregation will support the pastor and any family with learning and being welcomed into the community. Introductions, events, invitations from congregational members, and ongoing support will be fostered.
- E. The Call Committee will act as the Mutual Ministry Committee for the first year of the call. Following that, a Mutual Ministry Committee will be formed for feedback and discussion.

## **PART IV: COMMENTARY**

You are encouraged to offer information or commentary that will help the reader appreciate the vision, opportunities, challenges and nature of your ministry site. Use this opportunity to creatively promote and commend your ministry possibilities.

Our church has a rich history of solving difficult challenges with faith, hope, innovation and a spirit of generosity and service. Our visioning project has crystalized our church's core values, mission and purpose. With that vision, we again are poised to move into a new era of faith, service, and love for all people. We seek to attain that mission through a number of steps, including examination of ELCA's Reconciling in Christ journey, a variety of worship styles, renewal of ties with the greater community, and work on our strategic priorities. We have numerous ministry programs serving all ages and varied interests. Our renewed energy will lead to new and innovative ways to welcome all people into personal relationships with Jesus, one another, and our community.

## **PART V: COMPLETION OF PROFILE**

### **Discernment Process and Adoption**

Please describe the process used to gather information, formulate responses, and officially adopt this Ministry Site Profile. (Approximately 100 words maximum).

The MET team has conducted surveys and meetings to gather opinions and information from church attendees and members. Reviewing and referencing demographic data from the synod also has played a role in Ministry Site Profile work. Responses have been recorded to accurately represent the congregation's general intentions in the MSP. The MSP committee has met with Pastor Holm and independently as a group to consider and answer the MSP queries and to provide relevant narrative as requested. Discussions have involved examining member viewpoints and jointly seeking accord on the answers that best reflect the congregation's status/goals.

Enter the date on which this Ministry Site Profile was adopted by vote of the Congregation Council or organization's board: **5/4/2023**
